

Self Defence Laws and Legislation

We have designed a specific course to help deal with the increasing threats that your staff may face on a daily basis. It identifies the need to train your staff.

Under the Health and Safety at Work Act Section 2 and Employer Act, employees and employers have a duty of care not only to themselves and employee's but to the financial risk put upon the company by any claim or compensation on it.

This course deals with the Laws and Legislation as well as National and Government Guidelines in the respect areas..

By having a sound knowledge of these laws and guidelines and the ability to recognise and respond effectively will provide and assist individuals and the organisation with the necessary confidence to prevent or reduce violent incidents.

The course will achieve its aim to reduce violent incident through individual experiences, group discussions, group work, case studies and case law.

Those who will benefit the most from this course are:

- Members of the Public**
- Victims of Crime**
- NHS Employees**
- Education Sector**
- Care Homes Companies**
- Individuals**
- Lone Workers Managers**

This 2 hour course can accommodate 16 students

Course Content:

Module One

- **Explain the use of 'reasonable force' as it applies to conflict resolution**
- **Health and Safety Legislation**
- **Use of Force Legislation**
- **Government and Departmental Guidelines**
